DISCUSSION:

Review of committee membership and possible by-laws

There was a review of the report submitted by Sub-committee members Paul Robinson, Ron Jones, Cynthia Chang and Lee Fagot on the make-up of the Budget Advisory Committee. A discussion followed including:

- the preferred number of representatives from the various groups (community members, students, parents, staff – teachers, classified, administrators)
- recruitment of new committee members and the application process
- the term of committee members / staggering of terms

The Sub-committee, including Rosemarie Pottage, will work on defining an implementation plan.

It was suggested that information from BAC be provided to the Board to assist in a possible update of the committee’s by-laws. The Board decides how the committee shall operate. The group will then provide the board with potential by-laws. A December 10th deadline was suggested for input from the sub-committee.

REPORT: Report on Reserves presented to the Board on September 18, 2018

Rosemarie provided a handout from the Board Retreat titled District Reserves & Comparisons with Other Districts. Most districts have a 3% reserve requirement.
DISCUSSION: 2018-19 BAC goals and objectives. Proposed topics for next meeting.

Another focus area of the BAC is to become more proactive, learning how to effectively communicate with the community in an ongoing manner. Communicate both strengths and weaknesses – check for good examples from other districts. What are key messages to send out? Prior to next meeting, Mike and board members will report back on priorities for the committee with four or five areas to focus on. Board should provide some direction on finance.

Proposed topics for next meeting:

- More representation: working group will make suggestions. Makeup of sub-committee: Ron, Paul, Cynthia, Lee
- Update on proposal for BAC ByLaws
- Feedback from the District and Board on suggested BAC annual focus areas
- Dates of future meetings
