ARTICLE 1 - Recognition

This Agreement is made and entered on June 15, 2020 between the Los Gatos-Saratoga Union High School District (hereinafter "District") and The California School Employee Association and its Chapter 875 (hereinafter "CSEA"), for that unit of classified unit members set forth in Appendix A.

The District may designate positions as excluded from the unit, for example as confidential, management or supervisory; these designations must be challenged by CSEA within ten (10) working days of written notice by the District. If the designation is challenged, the parties will meet and confer; and if no agreement is reached, the matter will be referred to PERB.

ARTICLE 2 - Employee Organization Rights

2.1 The District and CSEA recognize the right of unit members to form, join and participate in lawful activities of employee organizations.

2.1.1 The District recognizes that as of January 1, 2001, Government Code Section 3546 amended the Educational Employment Relations Act to provide in part: Notwithstanding any other provisions of law, any public school employee who is in a unit for which an exclusive representative has been selected pursuant to this chapter shall be required, as a condition of continued employment, either to join the recognized employee organization or to pay a fair share service fee. The amount of the fee shall not exceed the dues that are payable by members of the employee organization and shall cover the cost of negotiation, contract administration, and other activities of the employee organization that are germane to its function as the exclusive bargaining representative. Upon notification to the employer by the exclusive representative, the amount of the fee shall be deducted by the employer from the wages or salary of the employee and paid to the employee organization.

2.2 The District agrees to abide by all State and Federal laws with regard to discrimination and affirmative action. The District agrees to abide by the Government Code Section 3546 (agency fee for all employees) as long as that code section is in force in the State of California. In the event that Government Code Section 3546 is no longer in force, the parties agree to meet and negotiate over any impacts on the bargaining unit.

2.3 The District shall provide CSEA with a copy of the District Personnel Directory as it is changed or updated. The District will continue to forward to CSEA member applications and authorizations for payroll deductions for every unit member hired.

2.4 Payroll Deductions:

2.4.1 The District agrees to deduct from the pay of unit members of CSEA such dues, fees, and contributions authorized in writing by the unit member, which deductions shall be paid to CSEA monthly.

2.4.2 Deductions for membership dues for any unit member in the bargaining unit shall not be permissible except to CSEA.

2.5 As long as Government Code Section 3546 is in force in the State of California, all unit members covered by this Agreement must retain their membership in the Union or pay a service fee. Any unit member may change from member to service fee payer only during a defined period of time: i.e., during the thirty (30) day period immediately following ratification of this Agreement by CSEA or during the thirty (30) day period following expiration of the contract. Upon reemployment, a unit member who was a member and did not revoke during the appropriate period shall be reinstated to membership. CSEA shall indemnify and hold

the District harmless from any and all claims, demands or suits, or any other action arising from the organizational security provisions contained herein.

2.5.1 CSEA has the right to provide one-hour of voluntary orientation of new unit members as part of the opening of school activities and to new unit members hired after the opening of school activities for the purpose of orientation. Site administrators will work with Stewards to provide access.

2.6 Each unit member hired or recalled from layoff during the term of this Agreement shall, at the time of hire/recall, submit an authorization for the payroll deduction of Union dues on a form provided to the District by CSEA. Such authorization shall continue in effect, except that such unit members may terminate such dues deductions pursuant to Section 7 of this Article.

2.7 A newly hired or recalled unit member may revoke his/her authorization for payroll deduction with a written request sent by certified mail or hand delivered to the Human Resources Office within the first thirty (30) days following the date of employment. Unit members governed by Section 5 may use these revocation procedures.

2.8 The District shall promptly forward a copy of any letters of revocation to CSEA. CSEA shall indemnify and hold the District harmless from any and all claims, demands or suits, or any other action arising from the organizational security provisions contained herein.

2.9 CSEA shall provide timely, advanced requests for meeting space through the District Office and comply with District regulations on use of facilities.

2.10 Duly authorized representatives of CSEA shall have the right to transact official organization business on District property after notifying the administration regarding the time, place and type of activity and where such activity will not interfere with school programs and/or the integrity of the unit member's work day.

2.11 CSEA shall have the right to post notices of activities in matters of organization concern on the institutional bulletin board, which shall be provided at each school district site in an area frequented by unit members. Said notices shall contain the date of publication and the identification of the Union. CSEA shall be permitted the use of the intra-District mail service and mail boxes for communications to unit members regarding matters with which CSEA is involved.

2.12 The District will provide CSEA with a list of all bargaining unit members, their classification, site of assignment, and their addresses. On or before September 15th of each year, the District will provide the names and addresses of newly hired unit members and will update this information as new hires occur up to and until the end of June. Addresses will be withheld of unit members who request such.

2.13 The District will consult with CSEA, upon request, when requesting bids for services, which could be performed by unit members of the bargaining unit. CSEA will be given notice of such request for bids at the time of the making of the request. The District's policy is to accomplish required work with the regular work force whenever possible. The District intends to maintain past practice by not contracting out for services in order to replace regular employees.

2.14 The District will inform new unit members of CSEA status as exclusive representative and provide them with copies of this contract at the time of hire.

2.15 Representatives of CSEA shall be designated by CSEA and a list shall be submitted to the District each year by October 1st. Alternative representatives may be designated with at least two (2) weeks prior notice.

2.15.1 Designated representatives shall be entitled to a collective total of ten (10) days per year without pay for exclusive representative business. This chapter release time is exclusive of time spent in negotiations, job steward meetings, grievance meetings, or meetings with District management. No representative may individually utilize more than four (4) of these ten (10) days in any one school year. A request for such release time is to be submitted to the immediate supervisor for approval five (5) days in advance of the absence. Lesser notice will be allowed on an emergency

basis. An undue disruption of work because of such possible absence may be grounds for denial of such release time. In addition, two representatives from CSEA may attend one (1) CSEA conference for up to **five (5)** days per school year without loss of salary. All costs associated with the conference are the responsibility of CSEA and will not be paid by the District.

2.15.2 The District shall provide a total of 40 hours of paid release time to CSEA representatives (as designated in 2.15) per contract year. CSEA shall provide three (3) days written notice for authorization of this release time. This paid release time is in addition to all time set out in 2.15.1 above.

2.15.3 The District shall provide a total of 20 hours of paid release time annually to CSEA negotiating team members for negotiation preparation. CSEA shall provide three (3) days written notice for authorization of this release time.

ARTICLE 3 - District Rights

3.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in, but not limited to, those duties and powers are the exclusive right to: determine its organization; direct the work of its unit members; determine the times and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and take action on any matter in the event of an emergency. In addition, the District retains the right to hire, classify, assign, evaluate, promote, terminate and discipline unit members.

3.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only to the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

3.3 The District retains its rights to amend, modify or rescind policies and practices referred to in this Agreement in case of emergency. The determination of whether or not an emergency exists is solely within the discretion of the Board and is expressly excluded from the provisions of Article X "Grievance Procedure".

ARTICLE 4 - Hours and Overtime

4.1 The normal workweek for full-time unit members shall consist of five (5) consecutive days of eight (8) hours per day and forty (40) hours per week. The hours of the workday shall be designated by the District for each unit member. Each full-time and part-time unit member shall be assigned a fixed, regular and definite number of hours of work per day.

4.2 A unit member who works an average of thirty (30) minutes or more per day in excess of a regular part-time assignment for a period of twenty (20) consecutive working days or more by virtue of assignment to so work by his/her immediate supervisor, shall have his/her regular assignment adjusted upward to reflect the longer hours in order to acquire fringe benefits on a pro rata basis. The District shall have the right to reduce upward adjusted hours back to regular work schedule when it is determined to be in the best interest of the District, however, the District may be required to utilize layoff or other legal procedures as required by law in order to reduce the adjusted hours. This section does not apply to temporary increases in assigned time to fill in for another unit member on leave of absence or vacation.

4.3 Bargaining unit members who work six (6) or more consecutive hours per day shall be entitled to an unpaid meal period of not less than thirty (30) minutes and no more than one hour, except bus drivers.

- 4.4 All bargaining unit members will be granted a rest period of fifteen (15) minutes for every four (4) consecutive hours of work.
- 4.5 Overtime will not be allowed unless the unit member has the prior approval of his/her immediate supervisor. Overtime compensation shall be based on the individual's rate of pay at the time the overtime was worked at time and one-half for all time over forty (40) hours a week or over eight (8) hours a day.
- 4.6 The District will grant a unit member paid time off for the purpose of voting in State or Federal elections if the unit member is required to be at work during the entire time the polls are open.
- 4.7 Unit members shall be granted paid time off to donate blood during District sponsored blood drives.
- 4.8 Any unit member working four (4) or more hours per day, five (5) days a week shall be paid overtime for any work required on the sixth or seventh consecutive day of work. Work done on the sixth consecutive day shall be compensated at a rate of time and one-half. Any unit member working less than four (4) hours per day shall be paid overtime for any work required on the seventh consecutive day of work. Work done on the seventh consecutive day shall be paid at a rate of double time.
- 4.9 Overtime shall first be offered to regular unit members at the site, in the classification that is responsible for performing the duties as defined in the job description. Offers of overtime shall be distributed on a rotating basis by seniority. In the event overtime cannot be filled by a site unit member serving in the classification, it will be offered to site unit members qualified to perform the duties. Unit members shall be first offered the opportunity to take pay for overtime before being offered compensatory time.
- 4.9.1 Compensatory time off must have prior approval by the immediate supervisor. Compensatory time off, if overtime, will be equal to one and one half times the number of hours actually worked. Non-overtime compensatory time shall be allowed with prior approval of his/her immediate supervisor, and shall be based upon the actual time worked. The supervisor who denies a compensatory time off request will attach an explanation. All compensatory time off requests will be handled in a timely manner. The compensatory time off shall be used by June 30th of the year accrued. If earned in June, time may be carried over to December of the following year. The District shall pay the employee for unused compensatory time in June of each school year.
- 4.10 For the purpose of computing the number of hours worked, time during which the unit member is excused from work because of holidays, vacation, sick leave and compensated time off shall be considered as time worked by the unit member.
- 4.11 The District will give CSEA and the unit member involved ten (10) working days' notice before requiring a permanent change in work hours. When a change in work hours is planned, the unit member involved shall be consulted prior to the change taking effect. The change in work hours shall not be made for arbitrary or capricious reasons. CSEA and/or the unit member will be given an opportunity to meet, if requested. This will not apply to hour changes applicable to unit members with variable work hours.
- 4.12 Unit members called back to work without prior notice after the completion of their regular assignment shall be paid a minimum of four (4) hours pay. Time worked on call back where a regular daily assignment is less than eight (8) hours shall be paid at straight time up through eight (8) hours and all hours worked after eight (8) will be paid at time and one-half (1.5). The guaranteed four (4) hours shall not be applied toward overtime compensation unless actually worked; for example, a unit member called back for one (1) hour will be paid for four (4) hours and an eight (8) hour unit member called back for three (3) hours will be paid four and one-half (4.5) hours. This will result in payment of a minimum of four (4) hours pay, or the actual time worked at one and one-half (1.5) (where applicable), whichever is greater.
- 4.13 Any unit member required by the District to take an examination shall be released for such purpose without loss of pay if the examination only occurs during the unit member's regular work hours.
- 4.14 Any unit member wishing to test for a District vacancy shall be permitted to do so without loss of pay if the test is only given during the unit member's regular work hours.

- 4.15 All unit members who work a complete shift between the hours of 2:00 p.m. and 6:30 a.m. shall be required to work only seven and one-half (7.5) hours, rather than the regular eight (8) hours. Overtime for evening and night shift unit members shall be awarded after thirty-seven and one-half (37.5) hours per week or seven and one-half (7.5) hours per day.
- 4.16 Subject to agreement by the worker and written approval by the supervisor and the Principal or Superintendent, unit members may be permitted to work alternative work schedules.

ARTICLE 5 - Salary and Fringe Benefits

- 5.1 For 2020-21, the parties agree to conduct an internal District study reviewing bargaining unit members' compensation relative to other employee groups. This joint committee may make recommendations for the 2020-21 school year negotiations regarding compensation.
- 5.2 Unit members will be paid pursuant to Appendix A1. There will be no increase to the salary schedule for 2019-20.
- 5.2.1 On July 1, 2013, unit members that have *been on a salary step* for at least six (6) calendar months will advance to the next step if applicable. Those that have been on the step for less than six (6) calendar months on July 1, 2013 will advance to the next step on July 1, 2014. All future step advancements will occur in July of each school year provided the unit member has been on the previous step for at least six (6) calendar months.
- 5.2.2 Longevity is based on years of service with the District. Employees who begin work in one calendar year may be credited with a year of service on July 1st of the following calendar year. All subsequent qualified service advancements will occur each July 1st, provided the unit member has been in paid status for at least 130 regular work days in the preceding year. A 5% longevity increment may be earned following the completion of seven years of service in the District. The longevity increment shall be based on the worker's base rate of pay. Following the initial longevity, qualified annual longevity increments, as detailed on the salary schedule, shall be applied in July of each school year. To qualify for the longevity increment the unit member must have received satisfactory or better ratings on five previous annual evaluations. An unsatisfactory evaluation will be deemed satisfactory for longevity purposes, if followed within four months by a satisfactory evaluation.

Longevity increments are as follows:

Completed Years of Service	Longevity Number	Increment over Base Salary	Completed Years of Service	Longevity Number	Increment over Base Salary
7	1	5.00%	18	3.1	16.58%
8	1.1	6.05%	19	3.2	17.63%
9	1.2	7.11%	20	3.3	18.68%
10	1.3	8.16%	21	3.4	19.74%
11	1.4	9.21%	22	4	20.79%
12	2	10.26%	23	2.1	21.84%
13	2.1	11.32%	24	4.2	22.89%
14	2.2	12.37%	25	4.3	23.95%
15	2.3	13.42%	26	4.4	25.00%
16	2.4	14.47%	27	5	26.05%
17	3	15.53%			

- 5.2.3 In the case of the promotion of any current district employee to a position with a higher salary range, he or she shall be assigned to the step in the new range which earns at least 5% above his or her current salary schedule placement, excluding longevity, providing such placement shall

not exceed step seven (7) of the new range. When such placement would result in an increase in excess of step seven (7), the employee shall be placed on step seven (7). When an employee has earned longevity in accordance with section 5.2.2, the appropriate longevity factor will be applied to the promotional salary amount.

- 5.3 A unit member assigned duties not a part of his/her classification for a period of more than four (4) workdays within a fifteen (15) day period shall have his/her salary adjusted upward for the entire period he/she is required to work in a higher classification. The four (4) out-of-class workdays do not have to be full shifts. The employee shall receive the regular rate of pay for that higher classification at the step on which he/she is assigned in his/her regular classification. If the assignment consists of working out-of-class in place of his/her lead or bargaining unit supervisor, he/she shall receive 5% working out-of-class pay for all hours worked out of class.

Unit members required to perform work in a lower classification shall continue to receive his/her regular rate of pay.

5.4 District Medical/Dental/Vision Insurance Contributions:

5.4.1 Beginning January 1, 2014, the District shall provide medical benefits through the California Public Employees' Medical and Hospital Care Act, Government Code 22750 et seq., ("PEMCHA," "CalPERS" or "CalPERS Medical") for unit members and eligible dependents. Unit members will have the choice of plans and benefit specifications as provided by CalPERS. The relevant CalPERS regulations and statutory provisions shall govern this article. The District's participation in CalPERS and the contributions toward medical premiums are established under Government Code Section **22895** and the provisions of this agreement.

5.4.2 Vision Benefits

The District will contribute the full premium cost Vision Service Plan for full-time unit members and their eligible dependents. Part-time members will receive District contributions as detailed in Section 5.5 of this Article.

5.4.3 Dental Benefits

The District will contribute the full premium cost of Delta Dental for full-time unit members and their eligible dependents. Part-time employees will receive District contributions as detailed in Section 5.5 of this Article.

5.5 District Contributions to CalPERS Medical Plans:

5.5.1 The District will pay the monthly minimum payment to CalPERS, required by Government Code Section 22892(c), as the minimum required payment of retirees and current active unit members. The amount for the first year will be \$1.00 per month for the first full year of coverage under CalPERS, and will increase each year thereafter as specified by Government Code Section 22892(c).

5.5.2 The District will contribute to each full-time unit member up to an amount that, when added to the CalPERS mandated minimum, will not exceed the monthly tiered rates for Anthem HMO Select Plans. (which through December 2020 are: Individual = \$868.98, Plus One = \$1,737.96, Family = \$2,259.35). This contribution shall be made monthly while the individual unit member is employed. In addition, the District will contribute to a District-sponsored HRA in the amount of \$125 per employee per month for each full-time unit member who is the primary subscriber of the District medical plan. In addition, the district will contribute to a District sponsored Health Reimbursement Arrangement (HRA) in the amount of \$100 per month for each full time unit member, prorated for each eligible part-time unit member.

5.5.3 A unit member eligible for full-time medical benefits may decline medical insurance coverage, subject to CalPERS regulations and local District requirements beginning July 1, 2015. The

District will pay an annual contribution of \$3,600 into a HRA for each eligible unit member selecting to decline medical coverage, provided the individual unit member certifies having alternative medical insurance coverage. This opt-out provision is not available to part-time unit members working less than 87.5%.

5.5.4 If the Anthem Select premiums increase for the plan year 2021 and there is no negotiated increase in the District's monthly contribution, any monthly increase in premium rates will be paid temporarily by the District and will be accounted for retroactively to January 1, 2021 at the completion of the bargaining process.

5.5.5 The District will continue to pay the full premium cost of Delta Dental Service and Vision Service Plan for all eligible full-time unit members and their dependents.

5.6 Part-Time Unit Members Coverage:

Part-time unit members shall be eligible to participate in medical, dental and vision programs per the terms of the contract with each carrier. For unit members employed less than 0.875 FTE, the District contribution to the cost of the coverage elected shall be in the same proportion that the unit member's contract bears to the District contribution for a full-time contract (e.g., a unit member with 0.6 FTE, will be eligible for 60 percent of the District's maximum contribution of the cost of health programs in which the unit members elects to participate). For unit members employed at 0.875 FTE or more, the District will pay full-time premiums as detailed in Section 5.5.2. The District and CSEA shall discuss any unit member employed between 0.8 FTE and 0.875 FTE to determine if the unit member's assignment may be changed to qualify for full-time benefits.

5.7 Affordable Care Act Excise Tax On High-Cost Employer-Sponsored Plans:

By January 1, 2018, if the total District contribution for medical benefits as specified in Section 5.5.2 of this article exceeds the contribution limits as established by the Affordable Care Act, the individual employee will reimburse the District the amount of any penalty or elect a less costly plan.

5.8 CalPERS Minimum Retiree Benefit Vesting Period:

Beginning January 1, 2014, the eligibility for the minimum payment to individuals who retire on or after January 1, 2014 shall be fifty (50) years of full-time District service. This vesting period is subject to future negotiations.

5.9 Domestic Partner Coverage:

The District will provide health benefits for qualified domestic partners of unit members to the same extent, and subject to the same terms and conditions, as health benefits are available to eligible dependents of unit members under this Agreement. This coverage is conditioned upon the domestic partner meeting all the criteria of California Family Code Section 297, and upon the unit member presenting the District with proof that a valid declaration of domestic partnership has been filed according to the above Family Code Section or with any local agency registering domestic partnerships.

5.10 Ceasing Participation In CalPERS Medical:

If the District decides to terminate participation in CalPERS Medical, the District will no longer be liable for the payment of the retiree contribution set forth in subsection 5.8 for those retiring after the notice of termination.

The District will provide notice and opportunity to negotiate with the Association over the replacement plans and District contributions.

5.11 Early Retiree Health Benefits Program:

5.11.1 The District shall make available to unit members who have served the equivalent of ten (10) years full-time in the Los Gatos-Saratoga Union High School District who wish to retire at age fifty-five (55) or anytime thereafter through age sixty-four (64), the program (hereinafter called The Plan) of medical, dental and vision care benefits regularly accorded employees under this contract on a shared-cost basis. Note: For example, a unit member serving ten (10) years at a 0.6 FTE assignment accrues "six (6) years full-time service". The Plan's benefits will be provided until the retiree's sixty-fifth (65th) birthday. Eligible part-time classified unit members are entitled to The Plan on a pro rata basis. In the event of the retiree's death prior to the termination of benefit eligibility, spousal and/or dependent's benefits will continue only through the premium year in which death occurs. Retirees are responsible for any health care premium costs for any spouses or dependents added after the date of retirement. The cost of these benefits and the resources necessary to meet obligations under The Plan shall be subject to the annual negotiations process but costs shall at all times be shared by The Plan and the retiree. Contributions to The Plan, and interest earned, shall remain in The Plan as accumulating funds except when used for the purpose of supporting The Plan. The District and CSEA recognize the need for flexibility within the program in order to assure continuing benefits and to meet future increases in premium costs. Such flexibility necessitates an annual review of: (1) the number of current participants; (2) the number of prospective participants; (3) ongoing program costs; and (4) retiree/District contributions.

Supplemental Medical Benefits:

Unit members who meet the following criteria will be eligible for the agreed upon supplemental medical benefit when it is finalized in a mutual agreement of trust:

- a) Retires under PERS guidelines after January 2, 2003;
- b) Has at least thirty (30) years of active service with the District, and;
- c) At the time of retirement does not have to be of Medicare-age eligibility but will gain this benefit upon reaching retirement age.

It is the intent of this "grandparent" clause to provide this benefit as an important component of the District's benefit package for its career employees.

Unit members who resign subsequent to a suspension in order to avoid dismissal proceedings or who are dismissed for felonious activities will not qualify for this benefit.

5.11.2 Specific Contract Agreement:

5.11.2.1 As of July 1, 2000, The Plan will pay 100% of the then current cost of the actual total health benefits premium for each employee retiring from age 60 through age 64.

5.11.2.2 Reduce the initial percentage paid by The Plan for retirees who retire before age 60. The rate will be determined as follows:

Retiring at age 60-64:	Plan pays 100%	
Retiring at age 59:	Plan pays 95%	Retiree pays 5%
Retiring at age 58:	Plan pays 90%	Retiree pays 10%
Retiring at age 57:	Plan pays 85%	Retiree pays 15%
Retiring at age 56:	Plan pays 80%	Retiree pays 20%
Retiring at age 55:	Plan pays 75%	Retiree pays 25%

5.11.2.3 If the annual premium increase is 10% or less, The Plan will pick up half of that increase and the retiree will pick up the other half. If the annual premium increases by more than 10%, the retiree will also pay the remainder of the premium increase over 10%.

5.11.2.4 The Plan will be reviewed annually in terms of the fund balance, the number of retirees on The Plan, and the number of new retirees joining The Plan. As it becomes

necessary, District funds, (lottery or other) will be considered in order to keep The Plan solvent.

5.11.2.5 It is the intent of this Agreement that early retirees participating in The Plan remove themselves from participation if they, subsequent to retirement from Los Gatos-Saratoga Union High School District, take other employment, which offers health benefits comparable to those covered by The Plan.

5.11.2.6 The coverage included in The Plan shall be for both the retired employee and spouse. Any additional fees for upgrades or surcharges will be the sole responsibility of the retiree.

5.11.2.7 The premium for any employee retiring during the school year shall be based on the premium as of retirement date.

5.11.2.8 Continued participation in The Plan by a retiree is subject to the agreement of the District's insurance carrier.

5.12 Whenever it is determined that an error has been made in the calculation for reporting any classified unit member's payroll or in the payment of any classified unit member's salary, the District shall, within five (5) working days following such determination, provide the unit member with a statement of the correction and a supplemental payment drawn against any available funds. Adjustment to recoup overpayments will be reasonably applied.

5.13 Any member in the bargaining unit required to use his/her vehicle on District business shall be reimbursed at the current mileage reimbursement rate determined by the Internal Revenue Service (IRS). Any worker assigned or requested by the District, on a temporary or permanent basis, to work at two or more sites shall be allowed to travel between sites during his/her regularly assigned hours without loss of compensation. This provision shall not apply to part-time workers who apply and are selected to fill a second part-time position, in accordance with Article 9, Section 1 of this Agreement, or to new workers who hire on for two part-time positions.

5.14 The District shall pay the full cost of the purchase, lease or rental of uniforms, special clothing, and safety equipment as required by the District to be worn or used by the unit member. If applicable, if employees choose to purchase steel-toed shoes for their work, the District will reimburse the cost up to \$150 annually.

5.15 The District shall pay for any work-related schooling required by the District.

5.16 The District agrees to provide or pay the cost of any medical examination required as a condition of continued employment. Reimbursement for any medical examination pursuant to this section shall be limited to \$75.00.

5.17 The unit member shall be responsible for securing and maintaining any license, certificate or any legal requirement of his/her position.

5.18 Unit members shall participate in the California State Disability Insurance program via payroll deductions from their salaries. The District shall carry out its obligations to implement the program.

5.19 A graveyard shift differential of 5% shall be paid for hours assigned to be worked between the hours of midnight and 5 a.m. This differential shall not be applied to overtime hours worked during this time period as a result of the extension of swing shift or day shift.

Before the grievant files a formal written grievance, he/she must have at least one (1) informal conference as an attempt at resolution with his/her immediate administrative supervisor, department head, principal, or location administrator, when the immediate supervisor is not available. The informal conference shall be held within fifteen (15) days after the grievant knew, or reasonably could have known, of the condition upon which an alleged grievance is based. The grievant may present his/her grievance orally. The administrator shall hold discussions and attempt to resolve the matter within fifteen (15) days.
- 10.8 Level II – Principal/designated Administrator. Within fifteen (15) days after the informal conference, the grievant may present his/her grievance in a meeting with the principal or designated Administrator on a District provided form. A copy of the alleged grievance shall be forwarded to the Superintendent/designee, whose function is to monitor the processing of grievances. The principal or designated Administrator shall communicate his/her decision in writing to the grievant and to the Superintendent/designee within fifteen (15) days after receiving the grievance. The designated Administrator will not be the person who heard the informal conference.
- 10.9 Level III - Appeal to the Superintendent/Designee. If the grievant is not satisfied with the disposition of his/her grievance at Level II, he/she may, within fifteen (15) days after receiving the principal/designated Administrator's written decision, proceed to Level III. The grievant shall then present his/her grievance in a meeting with the Superintendent/designee on a District provided form. The Superintendent/designee shall communicate his/her decision in writing to the grievant within fifteen (15) days after receiving the grievance. The Superintendent's designee (if needed) will not be the designated Administrator of Level II.
- 10.10 Level IV - Advisory Arbitration. If the grievant is not satisfied with the disposition of his/her grievance at Level III, he/she with the approval of CSEA, may within fifteen (15) days submit a request in writing to the Superintendent for advisory arbitration of the dispute. The grievant or his/her representative and the District shall attempt to agree upon an advisory arbitrator. If no agreement can be reached, they shall request the State Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one (1) name remains. The grievant shall strike first. The remaining panel member shall be the advisory arbitrator. The arbitrator shall, as soon as possible, hear evidence and render a recommendation on the issue or issues submitted to him/her. (If the parties cannot agree upon a submission statement, the arbitrator shall determine the issues by referring to the written grievance and the disposition thereof at each step.) After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her findings and recommendations.
- 10.10.1 The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the grievant. All other expenses shall be borne by the party incurring them.

- 10.10.2 The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules, regulations, and procedures of the District.
- 10.10.3 If any question arises as to the arbitrary nature of a grievance, such question will be ruled upon before proceeding onto the merits of the grievance.
- 10.10.4 Those things reserved to management by the management rights clause are not subject to the grievance procedure; all other rights and sections of this agreement are subject to this grievance procedure.
- 10.11 (Alternate Level IV) - Governing Board. If the grievant is not satisfied with the disposition of the grievance at Level III, he/she may within fifteen (15) days after receipt of the decision, file a written appeal with the Governing Board. By so doing, the grievant waives his/her right to arbitration. The written appeal shall contain the grievance filed at Level III and its disposition at each level. The Board shall consider the written record and make its decision unless it determines a need for more information, at which point it may call witnesses or take additional evidence. Ultimately, the decision of the Board is final.
- 10.12 Level V - Governing Board. In the event that either party is not satisfied with the recommendation(s) of the arbitrator, an appeal in writing may be made within fifteen (15) days to the Governing Board. The recommendation(s) of the arbitrator shall be advisory only.
- If, upon review, the Governing Board determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence. The decision of the Board is final.
- 10.13 Responses by the District shall be given to CSEA, when CSEA is representing a grievant in this procedure. When a grievant is not represented by CSEA, any proposed settlement of the grievance shall be communicated to CSEA and CSEA shall be given an opportunity to comment before implementing the grievance settlement.

ARTICLE 11 - Safety

- 11.1 The District recognizes the responsibility under CAL OSHA regulations to provide a safe working environment for unit members. Each unit member has the responsibility to follow safe working procedures and practices. An integral part of following safe procedures and practices is the timely reporting of unsafe, hazardous or unsanitary conditions as soon as possible to their immediate supervisor and/or the assistant principal in charge of facilities. Reasonable effort should be made to correct any unsafe conditions. If the issue is not satisfactorily resolved, the matter may be submitted by a written notice to the District Administrator responsible for operations.
- 11.2 A safety committee shall be formed composed of two (2) unit members appointed by CSEA and two (2) members appointed by the District shall be charged with making recommendations to the Superintendent or designee concerning improvements in health, safety, sanitation and working conditions and make recommendations to the Superintendent or designee regarding District compliance. The safety committee will meet bi-annually or as needed on District time. Unit members are encouraged to be safety conscious in their own actions and to report any alleged or potentially unsafe or unhealthy conditions to their immediate supervisor.
- 11.3 Non-Discrimination. No unit member shall be discriminated against as a result of reporting to the safety committee.

ARTICLE 12 - Evaluations

- 12.1 The purpose of this evaluation procedure is to provide a basis for the individual unit member's growth, both as *an* individual and in his/her position within the District. An evaluation of each unit member's work shall be made periodically, not less than twice during the unit member's first year of employment and not

less than once each year thereafter. Evaluation reports shall be written on approved forms and shall be signed by the person making the evaluation. The evaluated unit member shall sign the report as evidence of his/her knowledge of its contents. A copy of the report shall be maintained in the confidential personnel file of the unit member and shall be made available to the Governing Board in executive session upon request.

- 12.2 If the evaluation shows a unit member's work to be below a satisfactory standard, the unit member's supervisor shall take the appropriate steps to assist the unit member in improving. The supervisor will provide a written improvement plan which will be shared and discussed in a conference. Failure of the unit member to show improvement to a satisfactory standard is deemed just cause for terminating employment.
- 12.3 The unit member shall be informed that he or she has the right to rebut, in writing, any evaluation. The evaluation shall not be placed in the unit member's personnel file until the unit member presents the written rebuttal, provided the written comments or rebuttal is received within ten (10) days. The unit member shall have the right, upon request, to a conference to discuss the written rebuttal or comments. There will be no overall unsatisfactory evaluations given unless there has been prior conferencing with the unit member.
- 12.4 Probationary unit members shall be evaluated prior to the end of the third month of employment, and may again be evaluated six weeks later to provide the employee feedback on their work and to support them on improvements necessary to become a permanent employee.
- 12.5 A permanent unit member who receives an unsatisfactory evaluation will be re-evaluated within four (4) months.
- 12.6 Evaluators shall make specific recommendations for improvement, and the supervisor shall assist the unit members in carrying out these recommendations.
- 12.7 Unit members have the right to be accompanied by a CSEA representative at any evaluation meeting.
- 12.8 A new worker shall serve an initial probationary period of six (6) months.
- 12.9 Unit members hired into the District at Step 1 shall advance to Step 2 upon successful completion of their probationary period; earned advancement to Step 2 shall be retroactive to the first day of the unit member's seventh (7th) month of employment. Succeeding steps will be attained as detailed in Article 5, Section 5 of this agreement.

ARTICLE 14 – Layoff

The District may layoff or reduce hours of unit members, provided the following procedures are followed:

14.1 Notice:

The District shall notify all affected unit members in writing a minimum of sixty (60) days before the date of any layoffs except in the following cases:

- 14.1.1 When a specially funded program is to expire at the end of a school year, notice of layoff must be given on or before April 29th. If the expiration date of the specially funded program is not known to be the end of the school year, then notice of layoff because of expiration of specially funded programs must be given sixty (60) days prior to the effective date of the layoff.
- 14.1.2 In the event of an actual and existing financial inability to pay classified salaries, the notice requirement does not apply.
- 14.1.3 A unit member may also be laid off without the notice set forth in 14.1.1 above as a result of lack of work resulting from causes not foreseeable or preventable by the Governing Board.

A reduction in assigned time constitutes a layoff, and entitles the unit member to all rights in this Article.

14.2 Content of Notice:

- 14.2.1 The notice shall specify the reason for the layoff, identify by name and classification of the unit member who will be laid off, and the date of layoff.
- 14.2.2 The notice must inform the unit member of displacement rights, if any.
- 14.2.3 The notice must inform the unit member of re-employment rights.
- 14.2.4 The Union will receive copies of all layoff notices to bargaining unit members.

14.3 Order of Layoff:

14.3.1 Layoff shall be determined by seniority within a class. Seniority is defined as length of service within the classification, plus higher classifications. Length of service means the first date of paid service in a regular classification. The least senior worker shall be laid off first. If two or more workers have equal seniority, the determination shall be made by lottery.

14.3.2 "First date of paid service in a regular classification" means service performed in probationary or permanent status. Service as a substitute or short-term worker shall not be included.

14.4 Displacement Rights:

14.4.1 A permanent unit member who is laid off from a classification and who has prior service in an equal or lower classification shall have the right to bump a worker with less seniority in the latter classification.

14.4.2 The unit member may request assignment to a vacant position in an equal or lower classification if the unit member meets the minimum qualifications, or the District determines that the unit member can meet the minimum qualifications within a reasonable period of time. The District will not be arbitrary or capricious in making this determination.

14.4.3 The District will assign the unit member to such a position as a probationary employee. The unit member will still be laid off from his/her original position, and the unit member will maintain re-employment rights to his/her original classification as if laid off, whether or not the unit member successfully completes the probationary period.

14.5 Voluntary Demotion or Transfer:

A unit member laid off for lack of work or lack of funds, despite rights to bump, may accept a voluntary reduction in assigned time, or demotion to a vacancy in a lower classification, or transfer to an equal classification, provided the worker has worked in the new classification. Such workers shall be placed on a sixty-three (63) month re-employment list.

14.6 Step Placement:

Laid off unit members who bump or demote will be placed on the salary step for which they qualify in that classification based on previous step placement in that classification and higher classifications.

14.7 Displacement Rights:

Displacement rights must be exercised within twelve (12) calendar days of notice of layoff.

14.8 Temporary and Substitute Workers:

No regular unit member shall be laid off from any position while temporary or substitute workers remain in the same classification. Laid off unit members shall be offered, by seniority, temporary and substitute work in their current and former classifications, in preference to other substitutes.

14.9 Re-employment:

14.9.1 A thirty-nine (39) month re-employment list shall be established, in inverse order of seniority. Unit members laid off will be offered, in writing, by certified mail, re-employment in their classification or lower classifications in which they held permanent status before any other candidates. Upon receipt of a job offer, a laid off unit member shall notify the District of his/her intent to accept or refuse re-employment within five (5) business days of receipt of the notice. If a laid off unit member on the thirty-nine (39) month rehire list refuses two offers of re-employment they will remain on the list, however it will no longer be the responsibility of the district to notify him/her of vacancies in the district.

14.9.2 The District will make updated re-employment lists available to CSEA upon request.

14.9.3 Laid off unit members who are re-employed within the thirty-nine (39) month period will have all benefits and rights restored to the level they were at upon separation, except as modified by negotiated changes in the Contract or otherwise provided by law.

14.10 Promotional Opportunities:

Laid off unit members have the right to apply for promotional positions while they are on the re-employment list. The District will notify unit members on the re-employment list of promotional opportunities in their area of work.

14.11 Benefits:

All unit members with less than twelve (12) months of service will be covered under the District's medical, dental, vision care, and prescription drug plans through the last day of the month in which their layoff is effective. Any unit member with twelve (12) or more months of service, who is laid off or reduced in hours pursuant to a layoff, will receive two (2) additional months of fringe benefits beyond their date of layoff. Unit members with eighteen (18) months or more of service will receive three (3) additional months of fringe benefits beyond their date of layoff.

Such benefits will be at the same level received before the layoff. In addition, such unit members may maintain these benefits at their own cost for a continuous period up to thirty-six (36) months after layoff at the group rate. The District will assist unit members who are laid off in converting their medical coverage to individual plans.

14.12 Resolution of Disputes:

Within seven (7) calendar days after the notice is received by CSEA or the unit member, the unit member, or CSEA acting as the unit member's representative, may file a grievance at the superintendent/designee level, alleging a violation of this article. If no resolution is reached, CSEA and the District may submit such disputes to expedited arbitration if the award can be issued within thirty (30) days of the notice of layoff.

ARTICLE 15 - Completion of Meet and Negotiations

The parties agree that the other shall not be obligated to meet and negotiate with respect to any subject or matter except as required by law, whether referred to herein or not, even though such subject or matter may not have been in the contemplation or knowledge of either or both of the parties at the time that they negotiated or signed this Agreement. The terms and conditions of this Agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in a written amendment executed in the same manner as this Agreement.

ARTICLE 16 - Concerted Activities

It is agreed and understood that any strike, work stoppage, slowdown, unlawful picketing or refusal or failure to fully and faithfully perform job functions and responsibilities shall be a violation of this contract. It is understood and agreed that in the event of a violation of this contract, the District shall be entitled to discipline unit members involved, and to withdraw any right, privileges, or services provided for in this Agreement or in District policy from any unit member and/or CSEA.

No Lock Out. The District will not lock out unit members, provided the other provisions of this article are not violated. This no lock out pledge does not prohibit lay-off of unit members.

ARTICLE 17 - Effect of Agreement

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over state laws to the extent permitted by state law, and that in the absence of specific provisions in this Agreement, such practices and procedures are discretionary with the District.

ARTICLE 18 - Savings

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

The parties agree to have the district request to have CSEA representation serve on an established committee with DTA and district representation or to create a separate committee with district representation to research and recommend a data-based system for determining the total compensation increase (salary, health benefits, pension contributions) for fiscal year 2017-2018. CSEA shall appoint three (3) appointees each by no later than October 1, 2016.

The committee shall submit a written report to the parties by no later than April 1, 2017, in time for the parties to begin negotiations on these items.

The District will provide reasonable release time for Association committee members.

ARTICLE 19 – Term

19.1 This Agreement is for a term of three (3) years, commencing July 1, 2019 and ending June 30, 2022. 19.2 **2020-2021 School Year:** Subsequent to the ratification of the 2019-2022 Tentative Agreement, at the District's request, the parties shall reopen negotiations over workdays as specified on Appendix A if the District determines that potential reductions in the work year (and corresponding salary reductions) may be necessary due to a reduction in state and/or local funding for the 2020-2021 school year that was not known or certain at the time of reaching Tentative Agreement for the 2019-2022 negotiated agreement with CSEA. The parties shall submit initial proposals in sufficient time to complete the public notice "Such request must be made in writing to the Association not later than thirty (30) calendar days following enactment of the final State Budget Act (including any final revisions to the State Budget which the parties estimate will occur in August) and trailer legislation for the 2020-2021 school year.

The CSEA bargaining unit will meet with the District to discuss an "opener" for 2020-21 no later than June 1, 2021 pertaining to Article V Salary and Benefits if property tax revenue for the 2020-21 school year is funded better than expected, specifically more than 2% over the amount assumed at 2020-21 budget adoption.
