2. Legal Rights: The Board agrees not to impose or threaten to impose reprisals on unit members, discriminate against unit members or otherwise interfere with, restrain, or coerce unit members because of their exercise of legal rights.

3. Non-Discrimination: The employer and the Association agree there shall be no unlawful discrimination in employment or promotion because of age, ancestry, color, disability, gender, gender expression, gender identification, genetic information, marital status, medical condition, military or veteran status, national origin, political belief, race, religion, sex or sexual orientation.

In order that the maximum amount of security might be available, unit members should check with the appropriate supervisor prior to bringing personal property to their job site so the storage space and availability of security can be discussed with the unit member.
An inventory of personal property required for employment such as books, tools, etc., should be maintained and submitted to the District Business Office.

In the event personal property is damaged or stolen, a report of the incident should be completed immediately on Form #4830-A and submitted to the supervisor who in turn will submit the report to the Superintendent.

Hardship cases will be reviewed by the Superintendent for possible restitution.

6. **Right to Materials:** Members of the bargaining unit may be entitled to copyrights or patent rights to materials or creative developments based on the unit members’ own ideas. The details of these rights are set forth in State and Federal law.

1. Right to Represent: The exclusive representative shall have the right to represent bargaining unit members in employment relations with the District as provided in the law.

2. Right to Associate: The Board and the Association recognize the right of unit members to form, join and participate in the lawful activities of an employee organization, and the equal alternative right of unit members to refuse to form, join or participate in employee organization activities.

The District will deduct from the pay of Association members, or members of the bargaining unit who desire to voluntarily contribute to the Association, and pay to the Association the normal and regular monthly Association membership dues or the amount of the voluntary contribution as voluntarily authorized in writing by the unit member on the District form subject to the following conditions:

2.1 Such deduction shall be made only upon submission of the District form to the designated representative of the District duly completed and executed by the unit member and the Association.

2.2 The District shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period commencing fifteen (15) days or more after submission.

3. Right of Access, Communication, and Use of Facilities: The Association shall have the right of access at reasonable times before or after class hours, or by approval of the principal or his/her designee to areas in which unit members work, the right to use designated bulletin boards, mailboxes, and other appropriate means of communication, and the right to use designated District facilities at reasonable times for the purpose of meetings concerned with the rights guaranteed in SB 160, provided that there is no conflict with District-scheduled activities. All of these are subject to reasonable regulations.

3.1 Access: Association representatives, not members of the school staff, shall have the right to come on the school site at reasonable times during the school day for Association matters. Such visits shall be scheduled so as not to cause interruption to the school program.

3.2 Communication: The Association shall be entitled to post notices of Association concern on a staff bulletin board in each school complex. Said bulletin board will be in a high traffic area for certificated staff and will be prominently displayed.

In accordance with the District’s Technology Use Policy and in accordance with Ed Code §7054 provisions, the use of district equipment shall not be used for the
purpose of urging the support or defeat of any ballot measure or candidate including, but not limited to, any candidate for election to the governing board of the District. The Association shall be entitled to the use of mailboxes and the District’s email system for communication to unit members regarding matters which involve the Association, and they shall be identified as to their origin. An Association representative shall be responsible for intra-school distribution of said communications, and no cost shall be imposed on the District for such communication. An Association representative shall be entitled to time after the end of faculty meetings upon request.

An Association representative will be allowed, at the beginning of faculty meetings, to alert attendees that there will be brief announcements concerning the general good at the end of the faculty meeting.

3.3 **Use of Facilities:** The Association may use school facilities for major meetings either before or following unit members’ daily period of service, subject to approval of the principal. Such approval shall be granted unless such meetings conflict with previously scheduled use of such facilities, or the buildings are otherwise unavailable for use. Such meetings shall not interfere with the service of the unit member or the school program. Any additional cost that arises from the use of the facilities will be paid by the DTA. Facilities may not be used for activities that charge a fee.

4. **Board Agendas:** The District shall make available to the Association the Board agenda in advance of each Board meeting. Minutes of the previous meeting of the Board shall be posted after Board approval.

5. **Unit Member Names:** The District will provide the Association with a list of all bargaining unit members and their addresses. On or before October 30 of each year, the District will provide the names and addresses of newly hired unit members and will update this information as new hires occur up until the end of June. Addresses will be withheld of unit members who request such.

6. **Representatives of the Association:** Representatives of the Association shall be designated by the Association. Alternate representatives may be designated. Designated representatives shall be entitled to a collective total of fifteen (15) days per year without loss of pay for Association business. No representative may individually utilize more than five (5) of these fifteen (15) days in any one school year. A request for such release time is to be submitted to the Superintendent for approval five (5) days in advance of the absence. Lesser notice may be allowed on an emergency basis. In addition, representatives of the Association will be granted release time for negotiations and grievance meetings scheduled on duty time according to SB 160.

7. **DTA President Release Period:** The DTA President will receive a 0.2 FTE release period to conduct DTA business. The cost of the release period shall be shared equally between DTA and the District. The DTA and the District will mutually agree, on an annual basis, the need for a release period.
8. **Right to Consult:** The exclusive representative of certificated personnel has the right to consult on educational matters as defined in SB 160 and the District invites this consultation.

The District shall consult with the Association, upon request of the Association president or his/her designee, on the definition of education objectives, the determination of the content of courses and curriculum, the teaching environment, on matters relating to District-wide instructional in-service training, the selection of textbooks, and materials to be placed in the schools, to the extent such matters are within the discretion of the public school employer under the law.

9. The purpose of sections 1, 2, 3 and 7 of this Article is to implement provisions of SB 160 and do not grant additional rights to the Association.

10. **Association Right to Grieve:** The District Teachers’ Association now has the right to grieve on behalf of any member any violation of Article IV.

11. As a condition of employment, all new employees will either become members of the District Teachers’ Association (DTA) or will contribute one (1) percent of gross salary to the District Teachers’ Association Scholarship Fund, not to exceed the DTA dues for that year. The District shall deduct this fee through payroll deductions unless the total amount has been paid in full by September 15 of each year. A unit member who has resigned from the DTA shall be subject to the same conditions as a new employee and will no longer be eligible for the “pre-1996” provision described below.

Certificated staff hired before 1996 and not members of the DTA shall, as a condition of continued employment, contribute to the District Teachers’ Association Scholarship Fund through payroll deductions unless the total amount has been paid in full by September 15 of each year. For the 2017-18 school year, the amount will be $63.85 per 0.1 FTE and $638.50 per year for each full-time unit member. For the 2018-19 school year, the amount will be $65.12 per 0.1 FTE and $651.20 per year for each full-time unit member.

Once initiated, deductions shall continue until authorization is revoked.

*(Awaiting Janus decision Spring 2018.)*

12. The District invites and encourages budget inquiries regarding the source, use, and distribution of District funds as essential to maintaining an atmosphere of mutual trust.

13. The District invites and encourages DTA to appoint representatives to District advisory committees to help ensure broad and fair consideration of ideas and concerns. Advisory committees will use a consensus building process to develop recommendations to the Superintendent. These recommendations will not constitute nor substitute for the negotiations process.
ARTICLE V

SALARY AND BENEFITS

1. District Medical/Dental/Vision Insurance Contributions
The District shall provide medical benefits through the California Public Employees’
Medical and Hospital Care Act, Government Code 22750 et seq., (“PEMCHA,” “CalPERS”
or “CalPERS Medical”) for unit members and eligible dependents. Unit members will have
the choice of plans and benefit specifications as provided by CalPERS. The relevant
CalPERS regulations and statutory provisions shall govern this article. The District’s
participation in CalPERS and the contributions toward medical premiums are established
under Government Code Section 22985 and the provisions of this agreement.

2. District Contributions to CalPERS Medical Plans
   2.1 The District will pay the monthly minimum payment to CalPERS, required by
       Government Codes Section 22892(c), as the minimum required payment for retirees
       and current active unit members. The amount for the first year will be $1.00 per
       month for the first full year of coverage under CalPERS, and will increase each year
       thereafter as specified by Government Code Section 22892(c).

   2.2 The District will contribute to each full-time unit member up to an amount that, when
       added to the CalPERS mandated minimum, will not exceed the monthly tiered rates
       for Anthem HMO Select plans (which through December 2017 are: individual
       =$783.46, plus one =$1566.92, family = $2037.00). This contribution shall be made
       monthly while an individual unit member is employed. In addition, the District will
       contribute to a District-sponsored HRA in the amount of $125.00 per month for each
       full-time unit member who is the primary subscriber of the District medical plan.

   2.3 The District will contribute to each full-time unit member up to an amount that, when
       added to the CalPERS mandated minimum, will not exceed the monthly tiered rates
       for Anthem HMO Select plans (which through December 2018 are: individual
       =$856.41, plus one =$1712.82, family =$2226.67). This contribution shall be made
       monthly while an individual unit member is employed. In addition, the District will
       contribute to a District-sponsored HRA in the amount of $125.00 per month for each
       full-time unit member who is the primary subscriber of the District medical plan.

   2.4 If the Anthem Select premiums increase for the plan year 2019 and there is no
       negotiated increase in the District’s monthly contribution, any monthly increase in
       premium rates will be paid temporarily by the District and will be accounted for
       retroactively to January 1, 2019 at the completion of the bargaining process.
3. **Opt-Out Option**
A unit member eligible for full-time medical benefits may decline medical insurance coverage, subject to CalPERS regulations and local District requirements.

The District will pay an annual contribution of $3600.00 into a Health Reimbursement Arrangement (HRA) for each unit member selecting to decline medical coverage, provided the individual unit member certifies having alternative medical insurance coverage.

This opt-out provision is not available to part-time unit members working less than 80%.

4. **Part-Time Unit Members’ Coverage**
Part-time unit members shall be eligible to participate in the medical, dental and vision programs per the terms of the contract with each carrier. For unit members employed less than 80 percent (0.8 FTE) of a full-time contract, the District’s contribution shall be in the same proportion of the unit member’s percent of full-time equivalency (e.g., a unit member with a 60 percent contract (0.6 FTE) will be eligible for 60 percent of the District’s maximum contribution of the cost of health programs in which the unit member elects to participate). For unit members employed 80 percent (0.8 FTE) or more, the District will pay full-time premiums in §2.2 of this Article.

5. **Affordable Care Act Excise Tax on High-Cost Employer-Sponsored Plans**
By January 1, 2020, if the total District contribution for medical benefits as specified in §2 of this article exceeds the contribution limits as established by the Affordable Care Act, the individual unit member will reimburse the District the amount of any penalty or elect a less costly plan.

6. **CalPERS Minimum Retiree Benefit Vesting Period**
Beginning January 1, 2014, the eligibility for the minimum payment to individuals who retire on or after January 1, 2014 shall be 50 years of full-time District service. This does not affect the Early Retiree Benefits Program referred to as The Plan as outlined in §10 of this this Article.

7. **Domestic Partner Coverage**
The District will provide health benefits for qualified domestic partners of unit members to the same extent, and subject to the same terms and conditions, as health benefits are available to eligible dependents of unit members under this Agreement. This coverage is conditioned upon the domestic partner meeting all the criteria of California Family Code Section 297, and upon the unit member presenting the District with proof that a valid declaration of domestic partnership has been filed according to the above Family Code Section or with any local agency registering domestic partnerships.

8. **Ceasing Participation in CalPERS Medical**
If the District decides to terminate participation in CalPERS Medical, the District will no longer be liable for the payment of the retiree contribution set forth in subsection 2.1 for those retiring after the notice of termination.

The District will provide notice and opportunity to negotiate with the Association over the replacement plans and District contributions.
9. Other Benefits

9.1 Vision Benefits
The District will contribute the full premium cost of Vision Service Plan for full-time unit members and their eligible dependents. Part-time unit members will receive District contributions as detailed in §4 of this Article.

9.2 Dental Benefits
The District will contribute the full premium cost of Delta Dental for full-time unit members and their eligible dependents. Part-time unit members will receive District contributions as detailed in §4 of this Article.

9.3 Automobile Mileage
Unit members who are required to travel in service for the District shall be reimbursed for the use of their automobile at the same rate as the Internal Revenue Service allowance rate. Future changes in this rate shall become effective on the same day they become effective for the Internal Revenue Service. Mileage shall be computed from the unit member’s assigned location.

9.4 TB Tests
The District shall pay for the required TB skin test and/or x-ray.

9.5 Surviving Spouse Medical Coverage
The District shall pay for the required TB skin test and/or x-ray.

9.6 Liability Insurance
The District master policy shall provide unit members with liability insurance of not less than $1,000,000/$5,000,000 while in performance of their duties for the District.

9.7 Life Insurance
The District shall pay the premium costs for a $10,000 life insurance policy for unit members employed with the District.

10. Early Retiree Benefits Program

10.1 Qualifications
10.1.1 Unit members with a hire date prior to July 1, 2006 who have served the equivalent of ten (10) years full-time in the Los Gatos-Saratoga High School District who wish to retire at age fifty-five (55): and unit members with a hire date of July 1, 2006 or after who have served the equivalent of twenty (20) years full-time in the Los Gatos-Saratoga High School District who wish to retire at age fifty-eight (58), or anytime thereafter through age sixty-four (64), the program (hereinafter called The Plan) of medical, dental and vision care benefits regularly accorded employees under this contract on a shared-cost basis. For example, a unit member serving 10 years at a 0.6 FTE assignment accrues “6 years full-time service.” Employees with a hire date prior to July 1, 2006 are eligible for up to employee plus family benefits. Employees with a hire date on July 1, 2006 and after are eligible for up to
employee plus one benefits. The Plan’s benefits will be provided until the retiree’s sixty-fifth (65th) birthday (current Medicare eligibility age). In the event of the retiree’s death prior to the termination of benefit eligibility, spousal and/or dependent/s benefits will continue only through the premium year in which death occurs. The cost of these benefits and the resources necessary to meet obligations under The Plan shall be subject to the annual negotiations process, but costs shall at all times be shared by The Plan and the retiree. Contributions to The Plan, and interest earned, shall remain in The Plan as accumulating funds except when used for the purpose of supporting The Plan. The District and the Association recognize the need for flexibility within the program in order to assure continuing benefits and to meet future increases in premium costs. Such flexibility necessitates an annual review of: (1) the number of current participants; (2) the number of prospective participants; (3) ongoing program costs; and (4) retiree/District contributions.

10.1.2 Unit members who resign subsequent to a suspension in order to avoid dismissal proceedings, or who are dismissed for felonious activities, will not qualify for this plan. The Plan is not a vested right.

10.1.3 Eligible unit members should notify the District by March 1 of their intent to retire. This timeline is set for the benefit of other unit members and to promote orderly staffing and budgeting.

10.1.4 Retirees are responsible for any health care premium costs for any spouses or dependents added after the date of retirement.

10.1.5 Unit members who retire under the provisions of STRS and who do not qualify for benefits described under this article (Early Retiree Benefits Program), may continue to participate in the medical and dental programs of the District, subject to the approval of the carrier, by paying the full cost of the premiums each month to the Business Office.

10.1.6 Early retirees participating in The Plan should remove themselves from participation if they, subsequent to retirement from Los Gatos-Saratoga High School District, take other employment which offers health benefits comparable to those covered by The Plan.

10.2 Benefit Structure

10.2.1 To those qualifying for The Plan under §10.1 of this Article after December 31, 2013, The Plan will pay up to 100% of the Anthem HMO Select amount for the appropriate tier rate effective July 1, 2014, as well as dental and vision. Those retirees receiving benefits under The Plan on December 31, 2014 will have their District contribution “grandfathered in” as their base rate with annual adjustments applied as detailed in 10.2.2 and 10.2.3 of this Article.
10.2.2 The percentage of the District contribution paid by The Plan for retirees will be determined as follows:

*Only for employees with a hire date prior to July 1, 2006.*

This concept is the same as the State Teachers Retirement System: Full benefits are available at age 60, lesser benefits with earlier retirement. Those retiring before age 60 will receive benefits for more years than those retiring at age 60 or beyond, thus receiving more actual dollars in benefits, even though they are receiving a lower percentage of compensation.

10.2.3 If the annual premium increase is 10% or less, The Plan will pick up half of that increase and the retiree will pick up the other half.

If the annual premium increases by more than 10%, the retiree will also pay the remainder of the premium increase over 10%.

For example, consider the base at exactly $4000 for simplicity. If the premium increases 5%, or $200, The Plan will pick up $100 and the retiree will pick up the other $100, the same as it is now.

If the premium increases 10%, or $400, The Plan will pick up $200 and the retiree will pick up the other $200, the same as it is now.

If the premium increases 15%, or $600, The Plan will pick up $200 and the retiree will pick up the other $400.

10.2.4 The Plan will be reviewed annually in terms of the fund balance, the number of retirees on The Plan, and the number of new retirees joining The Plan. As it becomes necessary, District funds (lottery or other) will be considered in order to keep The Plan solvent.

10.2.5 The level of coverage is to be determined annually by the DTA Council upon the recommendation of the Retiree Health Benefits (Plan) Committee.

10.2.6 The coverage included in The Plan shall be for both the retired employee and spouse. Any additional fees for upgrades or surcharges will be the sole responsibility of the retiree.

10.2.7 The premium for any employee retiring during the school year shall be based on the premium as of retirement date.
11. Salary Schedules
11.1 Appendix A: Certificated Salary Schedule 2017-18 & 2018-19
Beginning the 2014-15 school year, Appendix A will reflect a contract year of 187 work days of which 180 are teaching days and is attached and incorporated to this agreement.

11.2 Appendix B: Other Compensation 2017-18 & 2018-19
Unit members’ additional compensation will be paid on the basis of Appendix B, which is attached and incorporated to this agreement.

11.3 Appendix C: Extra Duty Pay 2017-18 & 2018-19
Unit members will be compensated for specified extra duties according to Appendix C, which is attached and incorporated to this agreement.

12. Total Compensation
Each element of the Total Compensation calculation is expressed in terms of the cost of a 1% salary schedule increase*. Increases in funds received by unit members and in the case of eligible retirees, retiree health benefits as expended by the District are:

*Estimates – These numbers are based on budget assumptions and are only indicative of what may occur.

For example, if a 1% raise for all unit members were to cost $100,000 and the cost of health benefit premium increases were to cost $88,000, then this would equate to 0.88% increase in the health benefits calculation.

The request for conference must be made within ten (10) working days of the occurrence of the alleged agreement/policy violation. The requested conference must be held within ten (10) working days after the request for conference.

10. **Level II - Principal**
    If the grievant is not satisfied with the disposition of his/her grievance at Level I, he/she may, within fifteen (15) working days after the informal conference, proceed to Level II.

    The grievant shall then present his/her grievance in writing to the Principal or designee on a District provided form. A copy of the alleged grievance shall be forwarded to the Superintendent or designee whose function is to monitor the processing of grievances. The arbitrator shall, as soon as possible, hear evidence and render a recommendation on the issue or issues submitted to him/her. After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her findings and recommendations.

    12.1 The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the grievant. All other expenses shall be borne by the party incurring them.
12.2 The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules, regulations, and procedures of the District.

12.3 If any question arises as to the arbitrability of a grievance, such question will be ruled upon before proceeding on to the merits of the grievance.

PREGNANCY AND DISABILITY LEAVE (PDL)

Definition:

PDL permits a member to take leave for the period during which she is disabled due to pregnancy, childbirth, or a related medical condition.

Eligibility:

Any pregnant unit member that is disabled due to pregnancy, childbirth, or related medical condition is eligible for PDL.

Giving Notice:

To the extent that a member's situation allows, members must contact the District's HR representative as soon as possible to discuss leave options. If the need for the leave is foreseeable, a formal request generally must be submitted to the District 30 days before the beginning of leave; however, if this is not practical, then members must give the District notice as soon as possible.

Duration:

The length of PDL is determined by the member's health care provider and is generally six to eight weeks. PDL may not exceed four months.

While on PDL, the member's sick leave will be charged and the member will continue to receive pay. Members who have exhausted all accrued sick leave will be eligible for differential pay. In the event a member will be returning from PDL during the current school year, the member may elect to retain one day of sick leave for each month remaining in that school year. Members must notify the District's HR representative of their intent to retain sick leave once the end date of their PDL is established.
Health Coverage:
The member's coverage under any group health plan will be maintained by the District on the same basis as coverage would have been provided if the member had been continuously employed during the entire leave period.

Returning from Leave:
Members must submit a release to return to work from their health care provider. A member is generally entitled to be returned to the same position held when the leave started, or to an equivalent position with equivalent benefits, pay, etc.

Salary Step Advancement:
A member's step advancement is unaffected by PDL.

Tenure Track Considerations:
The duration of a member's leave may affect the timing for obtaining tenure. Non-tenured members must work 75 percent of the school year for that year to count towards tenure.

CHILD BONDING LEAVE BIRTH, ADOPTION OR FOSTER CARE PLACEMENT

Definition:
Up to 12 work weeks of child bonding leave occasioned by the birth of the unit member's child or the placement of a child with the unit member in connection with the placement of a child with the unit member through adoption or through foster care as provided by the California Family Rights Act (CFRA) (“Child Bonding Leave”). When both parents are employed by the district, the 12 school weeks of Child Bonding Leave is shared and therefore will not exceed a total of 12 weeks. Child Bonding Leave must be completed within one year of the birth or placement of the child with the unit member. For the “birthing” unit member, the 12 week period will commence after completion of any pregnancy disability leave (PDL). For the “non-birthing” unit member, the 12 week child bonding leave shall commence on the first day of such leave.

Eligibility:
A member must have been employed by the District for at least 12 months in order to be eligible for Child Bonding Leave.

Giving Notice:
To the extent that a member's situation allows, members will want to contact the District's HR representative as soon as possible to discuss their leave options. If the need for the leave is foreseeable, a formal request generally must be submitted to the District 30 days before the beginning of leave; however, if this is not practical, then members must give the District notice as soon as possible.
**Duration:**
Up to 12 school weeks within one-year of the birth, adoption or placement of a child.

Eligible members may take up to 12 work weeks of Child Bonding Leave. Married couples will share the 12 work weeks unless it is being used to care for a child with a serious health condition.

**Salary:**
While on Child Bonding Leave, the unit member’s sick leave will be charged. If the unit member exhausts his/her accumulated sick leave prior to the expiration of the 12 week bonding leave, he/she shall be entitled to differential pay as defined in Education Code section 44977.5.

**Health Coverage:**
The member's coverage under any group health plan will be maintained by the District on the same basis as coverage would have been provided if the member had been continuously employed during the entire leave period. Timing of the leave may affect District paid health premiums. If the employee fails to return from the leave for any reason other than the recurrence, continuance, or onset of a serious health condition, or returns for less than thirty (30) days, the District shall have the right to recover its share of premiums paid for maintaining the employee’s health coverage.

**Returning from Leave:**
A member is generally entitled to be returned to the same position held when the leave started, or to an equivalent position with equivalent benefits, pay, etc.

**Salary Step Advancement:**
A member’s step advancement is unaffected by Child Bonding Leave.

**Tenure Track Considerations:**
The duration of a member’s leave may affect the timing for obtaining tenure. Non-tenured members must work 75% of the school year for that year to apply towards tenure.

Returning from Leave:
A member is generally entitled to be returned to the same position held when the leave started, or to an equivalent position with equivalent benefits, pay, etc.

Salary Step Advancement:
Step advancement for members on Child Care Leave may be affected. To advance, an employee needs to work at least 75 percent of the school year, so those who work less than 75 percent may not advance on the salary schedule.

Tenure Track Considerations:
Not applicable as only tenured teachers qualify for Child Care Leave.

If the need for the leave is foreseeable, a formal request generally must be submitted to the District at least 30 days before the beginning of leave; however, if this is not practical, then members must give the District notice as soon as possible.

**Duration:**
Eligible members may take up to 12 work weeks of family care leave.

**Salary Step Advancement:**
Step advancement for members on family care leave may be affected. To advance, a member needs to work at least 75 percent of the school year, so those who work less than 75 percent may not advance on the salary schedule.

**Certification:**
The District may require certification from the unit member's health care provider before allowing leave for your own serious health condition. The District may also require certification from the health care provider for leave to care for a family member who has a serious health condition, before allowing a unit member leave to take care of that family member. In some rare cases, the District may also require (and pay for) a second opinion.

**Returning from Leave:**

Extended leaves without pay up to one (1) year may be granted by the Board of Trustees.

1. Short-term
   1.1 The Superintendent or designee may grant a personal leave to a unit member for reasons not covered under Personal Necessity Leave. Such a leave shall be granted without pay. However, depending on the nature of the leave, the Superintendent or designee may grant such a leave with partial pay by compensating the unit member the difference between his/her daily rate of pay and a substitute’s daily rate of pay, whether or not a substitute is actually employed to take the place of the unit member on leave. If a substitute is not employed, the amount deducted shall be determined by the minimum set daily rate of pay. Upon prior approval of the Superintendent or designee, if a full day substitute is required and the unit member’s assignment is voluntarily covered by colleagues, the substitute’s daily rate of pay shall be credited to the related departmental budget.

   1.2 Requests for personal leave shall be submitted to the Principal two (2) weeks prior to the requested leave date. The Principal shall forward the request to the District Personnel Office with his/her recommendation.

2. Extended Personal Leave
   2.1 A permanent unit member upon written request may be granted either a partial or a full-time leave of absence without pay on a year-to-year basis for personal or professional reasons as listed below provided such a leave does not adversely affect the educational program of the District. An eligible unit member must submit his/her leave request to the District Superintendent on or before February 1. This time line is set for the benefit of other unit members and to promote orderly staffing and budgeting.

   2.2 Unit members on unpaid leave shall not receive credit for a step change on the salary schedule unless the unit members are in paid status with the District for more than seventy-five percent (75%) of their assignments for a full school year.

   2.3 The unit member will be entitled to retain health benefits for himself/herself and his/her family while on leave so long as the unit member pays to the District the full cost of the coverage, subject to the insurance carrier’s approval.
2.4 A unit member who has permanent and full-time employment status with the District and who wishes to temporarily reduce his/her teaching assignment from full-time to part-time employment may make an application to the Superintendent. Each applicant shall have the opportunity to discuss his/her request with the Superintendent or designee. Final action to accept such application for leave of absence with reduced assignment shall be at the discretion of the Board.

2.5 A permanent and full-time unit member who is on a one-year leave of absence with reduced teaching assignment shall have the right of return to the same or similar full-time position held prior to the leave. This right is the same given to any staff member on full-time or regular duty. A unit member on unpaid leave shall notify the District of his/her intent to return from leave or resign by February 1 for full-year or a spring semester leave or by November 1 for a fall semester leave.

2.6 Reduced assignment shall not constitute a break in tenure or change in the employee’s seniority status.

2.7 The unit member on a leave with reduced assignment shall receive salary, advancement, benefits, sick leave, other duties and retirement credit in accordance with Article IX.

5.3 Permanent members will be on-cycle every four years (one year on-cycle, three years off-cycle). Principals reserve the right to place a member on cycle or on special
evaluation. The sequence of members on the new cycle will be mutually agreed upon by the District and DTA.

5.4 Alternative Evaluation- Permanent on-cycle unit members may participate in an alternative evaluation in lieu of a traditional evaluation with the approval of the principal. Participating unit members must complete the Alternative Evaluation Form and obtain the principal's approval and signature on the Alternative Evaluation Form by October 15th.

For permanent members, the final summative evaluation conference and the final summative report based on the observations during the year will be completed and submitted to the District Office by May 15. Written responses to any evaluation or observation must be submitted to the District Office within 10 days and submitted to the Superintendent. Failure of a non-permanent member to sign the appropriate evaluation or observation form by March 1 shall not prohibit the site administrator from determining the member will be released.
