TOP 10 WAYS TO SUPPORT UNDOCUMENTED STUDENTS

Description: This resource is meant to be used by educators, school administrators and allies who work closely with and are interested in better supporting undocumented students. Whether you're a long-time champion of undocumented students or a new educator just learning how best to support this population, there will be something useful in this resource for you.

TAKING CONTROL OF YOUR EDUCATION

Description: This resource serves up myth-busting on the differences between the California Dream Act and the Deferred Action for Childhood Arrivals program.

It comes with a handy flowchart to help students navigate their financial aid eligibility scenarios, and sheds light on why it's important to increase support for non-AB 540 and/or non-DACA students in particular.

SUPPORT FOR UNDOCUMENTED STUDENTS: STRATEGIES AND BEST PRACTICES FOR SCHOLARSHIP PROVIDERS

Description: This brief and informative resource is for all scholarship providers and college access organizations but especially for community foundations and other community-based scholarship programs. While the guide offers information and advice for organizations at all levels of experience, we hope it will be especially helpful to scholarship providers that are taking their first steps to support undocumented students.
